# PUBLIC NOTICE: INVITATION FOR COMMENTS

Draft Scheme for Accreditation of Carbon Credit Consultant Organizations (CC-CO)
Version 1.0 / 2026

The National Accreditation Board for Education and Training (NABET), a constituent board of the Quality Council of India (QCI), has prepared a draft Scheme for the Accreditation of Carbon Credit Consultant Organizations. The Scheme establishes a voluntary third-party accreditation framework for organizations providing carbon project and greenhouse gas consulting services, covering feasibility screening, methodology selection, baseline determination and additionality assessment, preparation of Project Design Documents, and design of Monitoring, Reporting and Verification systems. It applies to work under the Carbon Credit Trading Scheme (CCTS), 2023 and the Indian Carbon Market, as well as international standards including the Verified Carbon Standard, Gold Standard, Global Carbon Council and the Article 6.4 Paris Agreement Crediting Mechanism, and to reporting under the Carbon Border Adjustment Mechanism.

**Draft Scheme for Accreditation of Carbon Credit Consultant Organizations (CC-CO), Version 1.0/2026**

Comments and suggestions from stakeholders are invited on the draft Scheme. Submissions may be made through the online feedback form at: Feedback form for the draft CC-CO Accreditation Scheme. The last date for submission of comments is **15 December 2026**. Comments received after this date may not be considered.
