Overview

Quality Council of India – NABET has been operating Accreditation scheme as per the requirements of **ISO 17024:2012 standard** to establish an internationally accepted benchmark for organizations assessing /evaluating competence of personnel.

Certification of persons through compliance of ISO 17024 standard provides;

- A **Global benchmark** for **personnel certification schemes** to ensure that certified person have the necessary **competencies** to perform their work.
- **Helps in enhancing the acceptance and employability of certified person not only in local market but also in the international market.**

Objective of Awareness Program

- Create awareness among stakeholders about the conformity assessment international standard **ISO 17024**
- Promote a **globally accepted benchmark** for bodies operating the **certification of persons in any sector**
- **Create awareness that Accreditation** by an **impartial and globally recognized third party Accreditation Body** , provides assurance that **personnel certification schemes** of conformity assessment bodies meet the requirements of **internationally publicized standard**
- This workshop is a **step toward the sharing the valuable benefits** of enhancement in increasing acceptance of **ISO 17024**, worldwide.

Benefits of ISO 17024 Implementation

- Identify yourself as an **organization meeting internationally developed standard** in the provision of quality services
- **Independent third party accreditation** for consistent and impartial operations
- Vehicle of **continuous improvements/optimization**
- Greatly **facilitate the mobility of the workforce** by creating pathways for professionals to move freely in the job market
- Certification will give **confidence to the employee** as well as the **employer on the stated competencies.**
- **Clarity between Certificate and Certification**
- **Hiring of skilled manpower** with upgraded /relevant skills by employers with less investment on training
- An edge over **competitors**
