

**Corrigendum to Educational Qualification for the Project Coordinator (PC) and Technical Area Expert (TAE):**

**1) Project Coordinator:** Following educational qualification and experiences may be substituted/included in the existing:

- i. B. E/ B. Tech and above in Civil and Mining or equivalent with special paper or project work done in hydrogeology/ geology/ hydrology.
- ii. MSc/ M. Tech in Environment sciences/engineering/ Coastal management, with special paper or project work done in the related area in hydrogeology/ geology/ hydrology.

**Experience:**

- iii. In case of PhD, candidate should have minimum 7 years of overall work experience after the completion of qualifying degree.
- iv. In case of B. Tech/ B.E. and above, candidate should have minimum 10 years of overall work experience after the completion of qualifying degree.
- v. 'NIT' should also be added to section A 1.2-point (b) and A 2.2 – point (d). in the GWCO scheme.

**2) Technical Area Expert:** Following educational qualification and experiences may be substituted/included in the existing:

**i. Technical area expert- Hydrogeology:**

- I. Master's (post-graduate) degree in Science/Technology or equivalent in either subject Hydrogeology, Geology/ Applied Geology from a UGC/AICTE recognized University/ Institution or equivalent.
- II. B.E/ B. Tech or higher degree in technical subjects such as Water Resource Engineering, Hydrology, Hydraulics or equivalent subject from a UGC /AICTE recognized University/ Institution or equivalent with full course or project work done in hydrogeology/ geology.
- III. Desirable: PhD in relevant subject.

**ii. Technical area expert- Remote sensing & GIS:**

- I. Master's (post-graduate) degree in Science/Technology or equivalent in either subject Geology/ Applied Geology/ Geo-informatics/ Water Resources Engineering/ Environmental sciences/ Environmental engineering or Equivalent.
- II. B. E/ B. Tech and above in Civil/ Mining engineering or equivalent with special paper in Remote sensing & GIS or project work done in Remote sensing & GIS from a UGC/AICTE recognized University/ Institution or equivalent.
- III. Desirable: PhD in relevant subject.

**iii. Technical area expert- Water Quality:**

- I. MSc/M. Tech in Chemistry, Environment or Equivalent.
- II. B. E/ B. Tech and above in chemical Engineering or Equivalent.

- III. Desirable: PhD in relevant subject.
- iv. **Technical area expert- Geophysics**
  - I. Master's (post-graduate) degree in Geophysics/ Applied Geophysics/ Applied Geology/Geology from a UGC/AICTE recognized University/ Institution or equivalent.
  - II. Desirable: PhD in relevant subject
- v. NIT should also be added by section A2.2 – point (d). of the GWCO scheme
- vi. In case of PhD, candidate should have minimum 3 years of overall work experience after the completion of qualifying degree.
- vii. In case of B. Tech/ B.E. and above, candidate should have minimum 5 years of overall work experience after the completion of qualifying degree.

(Mr. A. K. Jha)

(Senior Director – QCI)
